ENTRE  CIELOS

AN IMMERSION INTO YOUR INNER SELF

For more than 15 years, Entre Cielos Spa Hamam has been a leading wellness destination in Argentina. As pioneers in bringing together the Hamam ritual, nature, hospitality, and deep rest, we have guided thousands of guests toward greater balance and renewal.

Today, inspired by the philosophy of Regenerative Wellness, we return to what matters most: thoughtfully designed experiences that restore energy, quiet the mind, and invite a deeper connection with oneself.

Every ritual and treatment reflects our belief that genuine well-being grows from the harmony of nature, purifying water, healthy practices, and warm, authentic hospitality.

This is the next chapter of Spa Hamam.

A NEW DEPTH BEGINS.
